## GCA Alumni Association Newsletter

By: Kendall Paramore

A new school year is under way. The 2018-2019 school year has started. The girls are in full swing with volleyball and the boys have spent some hot days on the soccer field. As I reflect on starting back to school, I remember how much I dreaded the thought of homework, test, and quizzes. By now everyone is settled into their new classes, new locker, and probably got a few stains on those new clothes.

I often think back to those interesting times at the "Back to School Retreats." For those that didn't get to enjoy them or have forgotten, let me share what that was like. Fort Barnwell was the place of the retreat. The days would be filled with fun things to do, each class (9-12) would work together to compete against the next class in activities. Girls would try to stand off to the side to stay away from bugs and the heat; while the boys would get all hot and sweaty trying to out-do each other in the games. There were good speakers that would challenge us spiritually. But everyone that went can never forget the mud slide. The last night of the retreat everyone participated in water games. When water games were complete, all the water from the games was emptied into a shallow ditch. What happened at that point was absolute fun. Starting with the Senior class, students would take turns running and sliding. Oh, the mud and grass. Yes, those were the days as they say.

## Corporate Sponsors

Alumni, please review the list of our corporate sponsors. They are a tremendous help to the Alumni Association. If you ever find yourself needing one of their services, please use them and tell them the Alumni Association sent you. Feel free to contact me if you are interested in joining them as a sponsor.

## Facebook

If you haven't had a chance to check us out on Facebook, please do so. We are over 400 members on our page, but we need your help. You can add people to the page, by simply going to the members portion and adding members. Just scroll through your friends and if you notice an Alumni that isn't on the page then you can add them. Social media is our best way to communicate with everyone.

## Website Information

We are happy to announce that our website is completed. You can visit us on the web at [www.greenvillechristian.com/alumni](http://www.greenvillechristian.com/alumni). Feel free to browse the page. You can request transcripts and sign up to become a member of the Alumni Association on the web.

## Membership

Membership has been a huge success for 2018. We have been absolutely blessed by the amount of you that turned out to help us by joining. Membership is not expensive as it is only \$20 for the entire year. If you haven't had a chance to join, please do so. Anyone joining at this point will be a member for 2019. Dues notices will go out in the few weeks.

## Endowment Update

As you know we are working to provide the school with \$10,000 to begin an endowment. Currently, we have over \$5,500 in our Endowment account. All money raised has come directly from Alumni. We are very blessed, and we look forward to adding to this success in 2019.
