### HOMECOMING KNIGHT

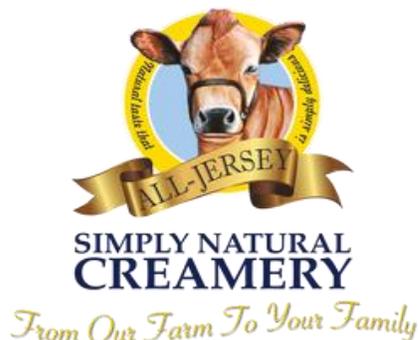

Christmas vacation is just around the corner and that means we are in the midst of basketball season. Not to mention, the big night every basketball player and cheerleader looked forward too, Homecoming Night. Homecoming week was always a special time. Each class would compete daily in spirit week. How can we forget Wacky-Tacky day? Each class would use study halls to decorate the gym with Banners and Posters. Homecoming day is something I fondly remember as a player and homecoming court participant. Cheerleaders would decorate your locker the night before and shower you with candy when you got to school. Everyone proceeded to the gym after lunch to compete in "Knight Games." It concluded with the annual "Pep Rally". As game time approached, you knew it would be fun as the largest crowd of the year began to build.

"Knightmare Ally" was jam packed with students that stood the entire game. Old teammates and Alumni would return for this night to cheer on the Knights. Once the music played, I remember running through the longest student tunnel I could dream of. The game would finish, but Homecoming is only just beginning. The anticipation of who would be crowned King and Queen filled the air. After what seemed like an hour of decorating, those selected by the student body would come out to a barrage of cheers in their tuxedo and evening gowns. Then the moment came, a new King and Queen were announced. What an unforgettable day. Everyone left feeling good and festive. It was a proud time to be a Knight on Homecoming Knight!

## Corporate Sponsors

Alumni, please review the list of our corporate sponsors. They are a tremendous help to the Alumni Association. If you ever find yourself needing one of their services, please use them and tell them the Alumni Association sent you. Feel free to contact me if you are interested in joining them.

## Facebook

If you haven't had a chance to check us out on Facebook, please do so. We are over 400 members on our page, but we need your help. You can add people to the page, by simply going to the members portion and adding members. Just scroll through your friends and if you notice an Alumni that isn't on the page then you can add them. Social media is our best way to communicate with everyone.

## Alumni Basketball

Our Annual Alumni Basketball games will be played on January 3<sup>rd</sup>. The Girls will begin at 6 pm followed by the boys at 7 pm. Please let me know if you plan to attend. This is a fun night to be had by all.

## Alumni Membership

We had an outstanding year in 2018 with membership. We had over 100 Alumni take part. At this time, I would like to ask those that joined in 2018 to renew their membership at \$20 for 2019. If you were unable to do so last year, we would love to have you sign up and be part of the Alumni Association for 2019. This is a critical part of our organization. Memberships allow us the opportunity to continue to give back to the student body.

## Homecoming.... Save the Date!!!!

Our Homecoming is scheduled for January 25<sup>th</sup>, 2019. Please make plans to attend. We have a special evening planned. We look forward to recognizing the 1999 Basketball State Champions that night. We will have a hospitality room set up for all Alumni. Look forward to seeing you on the 25<sup>th</sup>.

## Endowment Update

Alumni, we are steadily approaching our endowment goal of \$10,000. Currently we have \$6,300 in our account to go toward our endowment. Thanks to everyone that has helped get us to this point.
