PART-TIME STUDENT RATES 2023-2024

GCA is pleased to offer part-time classes for home-school families in our community for students in the **7th-12th grade**. This type of hybrid education program is beneficial for both the school and the family. GCA benefits by having another student to educate for eternity and the family benefits through a customized learning experience. You can tailor your child's education to their unique needs, interests, and talents.
