GCA Alumni Association Newsletter

Fall is in the air. Fall at GCA brings back many memories. Volleyball and Soccer seasons were winding down and the focus was who can make it through conditioning of basketball practice to play in the first game. But there is one thing Fall always brought and that was the traditional Fall Festival. When I think of the Fall Festival, many things come to mind. The Sr. Class talked many teachers into getting in the dunking booth, which the teachers enjoyed antagonizing students when they couldn't

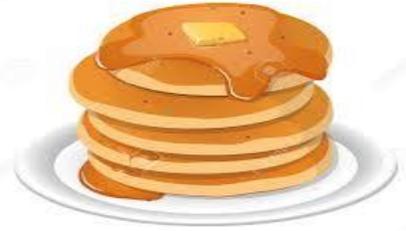

hit the target. The Jr. Class kept things lively with the Jail in the center of the gym. The 10th Grade Class had a beat-up car to be demolished even more with a sledge hammer. Everyone was interested to see which teachers would win King and Queen. Games, silent auctions, bake sales, hay rides and good food left everyone with something to look forward to each year. Not to mention the creative costumes that grabbed your attention. Fun was to be had by all

that came, and conversations about that night have lasted years after. No matter if the temperature was hot or cold, you knew when the Fall Festival took place that Fall was in the Air.

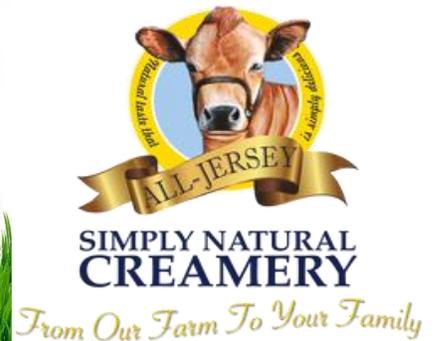

Pancake Supper 2019

This year our pancake supper was a huge success. We grossed over \$1900 in sales. We served a little more than 800 pancakes and nearly 100 pounds of sausage. A big thank you to all of those that came out to help. Also, our volleyball team and soccer team won both games against Bethel Christian.
